

the LOFTING KIT made easy

Lofting kits are free and may be checked out free of charge to residents with a student ID card.

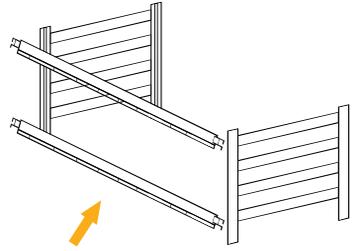

What's included?

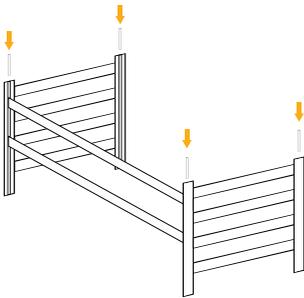

Step 1: Remove mattress and place extra bed ends next to existing bed.

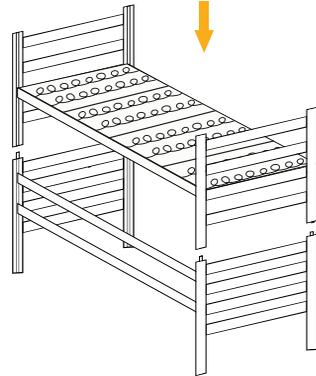

Step 2: Insert stabilizer bars with hooks facing down into extra bed ends. Press firmly into place.

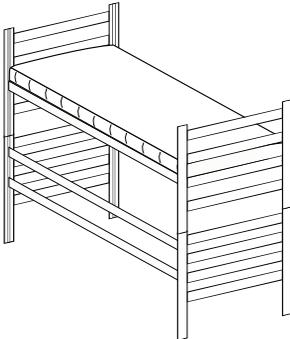

Step 3: Insert pegs into peg holes in extra bed ends.

Step 4: Lift bed and place onto extra bed ends. (Ensure pegs are securely seated).

Step 5: Place mattress on top.

Bunking Instructions

To bunk your bed, simply place pegs into Bed A. Lift Bed B onto Bed A and ensure pegs are securely seated.
